Angola (Portuguese West Africa) - Continued.
storage and refrigeration 107
transportation -
highways 108
ports 108
railways 107-108
rivers 108
Argentina -
cattle belt 149-150
corn belt 151-152
cotton belt 153-154
desert-scrub area 158-159
farming and farm life in the major production areas of. Carl C. Taylor . 147-159
farm belts, evolution of specialized 147-149
fruit belt 157-158
sheep belt 150
sugarcane belt 155-156
vineyard belt 156-157
wheat belt 152
yerba-maté belt 154-155
Australia -
agricultural resources. W. I. Ladejinsky 3-21
crop production -
green forage 18
hay, oats, barley, and corn 17-18
orchards and vineyards 18-19
sugar 18
tobacco and cotton 19
wheat 15-17
geographic description -
rainfall 5-6
soils 4-5
temperature 5
topography 3-4
pastoral industry -
beef 12-13
cattle 11-12
sheep 9-10
wool 10-11
population and settlement, relation to land utilization and tenure 6-9
Australian -
agriculture and the war effort -
control of agricultural production and distribution 23
conversion of production to meet war needs 23-24
lend-lease in reverse 24
pooling of agricultural reserves 22
food contributions to United Nations 58-59
mandated islands 178-182

Page

BACON, LOIS: French Food Rationing 138-142
